

# New Product Introduction

## TECH Black Tire Mounting Compound

TBP25

TBP8

- Petroleum-free non-water dispersible tire mounting lubricant and rust retardant
- Recommend for wheels, tire tubes, and 5th wheel applications
- Stops the bonding or freezing of tire beads to the rim allowing easy removal
- Excellent temperature stability; ranges from -20°F to 100°F (-28.9°C to 37.8°C)
